Vehicle Description

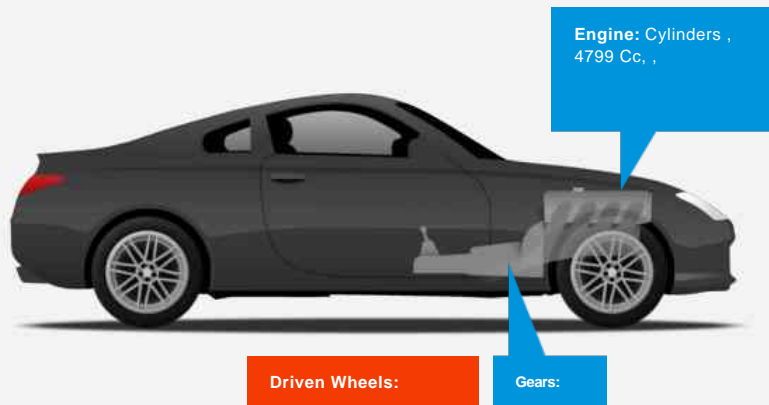

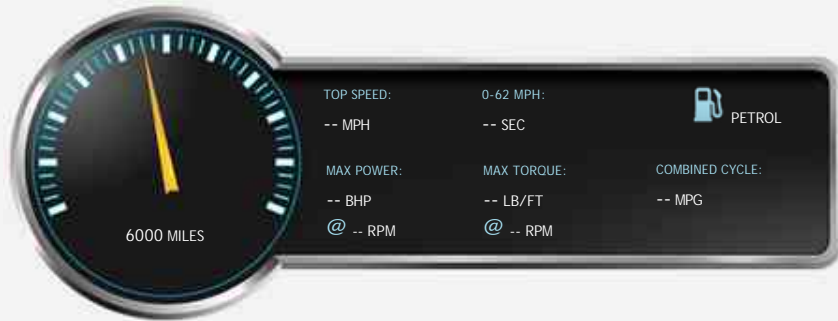

Metallic Alu beam, Blue Full leather interior, 2 seats, Totally unique and extremely collectible!!, Wiesmann is a German car manufacturer; set up in 1985 by Martin and Friedhelm Wiesmann both came from an engineering background. , By 2006 the company were producing the Wiesmann GT MF4 coupe and roadster, with each car taking in excess of 350 man-hours. Using aluminium monocoque bonded and riveted technology made for a very lightweight yet stiff chassis. The body is made from very high quality fiberglass reinforced compound body panels. Power came from BMW either a normally aspirated or turbo charged unit. The rest of the mechanical components were sourced from the very best suppliers with a no expensive spared philosophy. , The Wiesmann MF4 GT "20th Anniversary Edition" is an immaculate "13 plate" being the only right hand drive manual car Wiesmann have ever built. Finished in Alu beam Silver metallic paint with light Blue Bridge of Weir leather interior with special seat embroidery Powered by a
