Vehicle Description

Suzuki Hayabusa GSX 1300 RX

1st registered in May 2000.

I have owned this bike since 2008 and have spent a lot of time and money since. The bike has had a custom paint finish as well as a load of other bits. I have most of the parts I took off that will go with the bike.

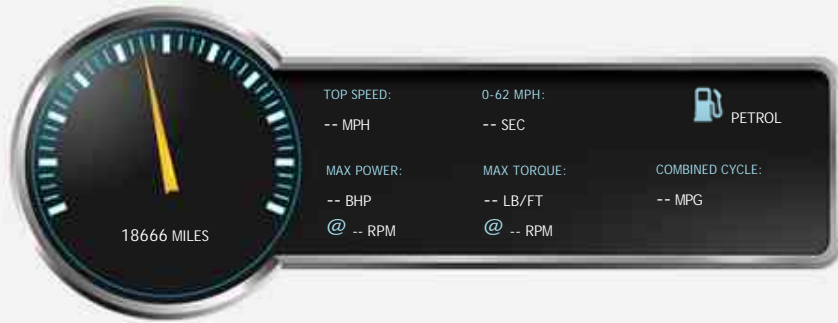

I have the bill of sale from when I bought it and all the M.O.Ts to prove the mileage starting at 8082 in 2006 to its current mileage of 18666.
