### Vehicle Description

Fabian Motor Company are delighted to offer this stunning BMW M3 finished in White with Novillo Leather Interior. This fine example comes with a very high specification from the Carbon Fibre Roof to the Quad Sports Exhaust. The Novillo Leather Seats will allow you to experience the high performance of this V8 in luxury whilst the paddle shift on the steering wheel will give you the adrenaline of driving a true performance car.

Our M3 is very technologically advanced, with extensive electronic control systems for traction and dynamics, yet still focused and track-bred, the BMW M3 straddles the grand touring and sports car genres. The M3 Coupe is among the best-looking mainstream sports cars available. Flared fenders, sleek profiles, bulging hoods, and all of the latest BMW styling cues combine to make a modern, elegant sports car that's clearly more than your average 3-Series. Under the power-bulged hood sits a 414-horsepower 4.0-liter V-8. It's a recipe for excellent acceleration, reaching 60 mph in just 4.8 seconds.
