Vehicle Description

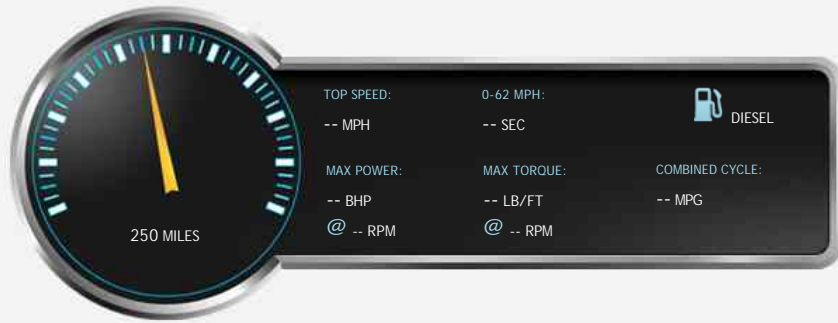

SOLD SOLD SOLD SOLD SOLD

Open the door of the 685, effectively a replacement for the old overcab 686, and you find an interior that could compete against the best that Ikea has to offer. Such freshness is hinted at on the outside, too, with blue and grey decals on a bodyshell that is all GRP.

The beds are comfy. The drop-down double includes a Duvalay Duvalite mattress. The bed at the rear is a fairly conventional arrangement involving caravan-style slats that pull out down the central aisle to give you the 6 berths.
