Vehicle Description

Mercedes S320 3.0 CDi Limo in metallic blue. In absolutely stunning condition both inside and out, and as you can imagine drives like a dream. Colossal spec, this really is a top of the range model including Full grey Leather Interior (Front and Rear Fully Heated with Electronic Adjust), Front and Rear Parking Sensors, Sat-Nav, CD Multichanger, Cruise Control, Climate Control, A/C, Sunroof, 18" Alloy Wheels.....the list goes on and on. Truly the height of luxury. Mountains of service history, including invoices and every single M.O.T. Certificate from new, to say this car has been looked after would be an understatement. A fantastic example of German engineering that's as beautiful as it is comfortable.
