**Vehicle Features**

Not Specified

**Vehicle Description**

*Launched in 2003, the Auto-Sleeper Nuevo has been a big seller ever since. This compact motorhome, well under the important six metre mark, offers traditional Auto-Sleeper luxury, with traditional layouts at realistic cost. The Nuevo has a great advantage on the road for its compactness, being shorter than Peugeot/Fiat long-wheelbase panel vans.*

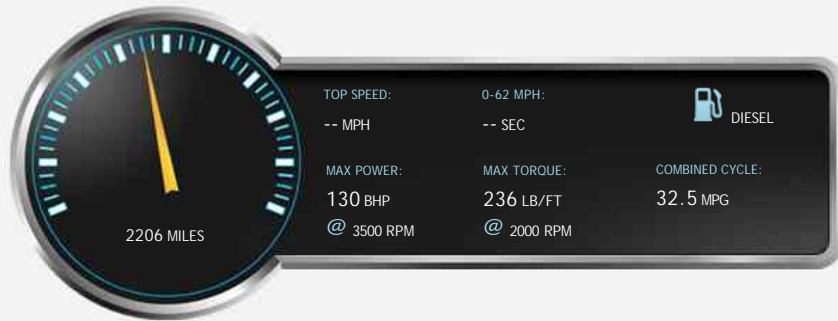

*The cab has electric windows, electric mirrors, cruise control, cab air conditioning, reverse camera and captain chairs. It contains an overcab bed for two with a ladder and net to keep them safe. Below it has a front lounge/dining area that converts to a transverse double bed for two. 4 travelling seats in total give the Nuevo a real boost. Moving back there is a side bathroom near the back with cassette toilet, basin and shower. The end kitchen contains 1 electric and 3 gas burner hob, full sized oven with grill,*
