Vehicle Description

It's hard not to be impressed with the Benimar Mileo 243, especially if you happen to like space that's effectively used rather than just empty. That's especially evident in the bedroom, which might not suit those who like an island bed, but does demonstrate how it's possible to sleep four in a compact motorhome. The Mileo 243 now comes with the powerful Fiat Euro 5+ chassis with a 150bhp engine and six speed gearbox. The 4 berth layout consists of a fixed double bed to the rear with a garage underneath, a side bathroom and kitchen and a luxurious front seating area offering two front travelling seats and the added benefit of a drop down double bed.

Other features include electric windows, electric mirrors, cruise control, air conditioning, cd player, sat nav, solar panel, satellite system, side kitchen with 1 electric & 2 gas burner hob, large fridge and
