Plenty of motorhome folk aspire to an Autotrail, the Imala range, introduced for this year, has had a good stab at maintaining that. The 720 here is the largest model in the five-strong range and it offers a Hi-Line overcab section which means it can sleep six folk in three double beds with 4 seat belts.

The interior appeals to us here in the UK. That's thanks to the rear lounge - two short settees here, with views out to three sides, as well as a half dinette immediately behind the driver and inward facing settee behind the cab passenger. Swivel both those cab seats and you have another sizeable lounge area. There's also space for up to six folk to sit down to dine here. The kitchen benefits from a cooker with 1
