Vehicle Description

2018 model luxury panel van features automatic transmission, raised fixed single beds that can convert into a large double. Potentially can have another bed below, plus a front lounge/dining area that can also include another berth. Comes on a Fiat Ducato chassis with a 2.3L engine, intelligently designed kitchen with a large amount of cooking space.

Adria Twin vans are suitable for all year round use and offer heating systems by Truma. They are all built to 'Thermo-build' standards which optimizes the use of advanced insulation materials, heating design and airflow management.

The cab comes with electric windows, electric mirrors, cruise control, cab air conditioning, CD player, FIAT
