Vehicle Description

The Toyota Alphard often called the 'Lexus' of campervans, due to its high end interior and specification lends itself to our luxurious campervan conversions. When converted the Alphard can potentially sleep 2 downstairs in its Rock Roll bed and 2 upstairs in its roof bed. They are fantastic to drive, ultra-smooth and quiet, in fact the ultimate in base vehicles for campervan conversion.

It comes with electric windows, electric mirrors, electric side opening door, automatic transmission, elevating roof, swivel front passenger seat, reversing camera, 2 burner hob, sink, fridge, 4 belts and a tow bar.
