> Dining Table	

### Vehicle Description

We have for sale a very nice, 2004 Lunar Newstar 58 which, at only 19 feet long and weighing only 3500 kilograms, can be driven on a normal or restricted licence. This vehicle has a habitation stable door with a security lock, security habitation step, and an extremely desirable U-shaped lounge. The interior decoration is traditional, warm and inviting, with the same fabric used throughout.

At the rear of the motor-home you have the U-shaped lounge, with plenty of storage space under the two sofas as well as the cupboard in the middle. The sofas can be converted into a double bed or simply left as they are to make two singles. There is also a folding dining table that can be placed in between the sofas.

Over the cab is another double bed, making this a four berth motor-home.
