### Vehicle Description

We're pleased to present this fantastic Swift Bolero for sale. This vehicle is in as new condition. At only 3500kg you can drive this on a normal or restricted licence and it has a Cobra tracker already fitted. Comes with twin reversing cameras, air conditioning, solar panel and bike rack. With the very popular french bed layout and Alde central heating this really is a very lovely vehicle.

The rear of the Bolero holds the fixed french double bed that always proves popular with buyers with plenty of overhead cupboard and shelf space, as well as large under bed storage space. The overhead Heki skylight makes it bright and airy. In this area there is also the washroom with Thetford toilet, washbasin with chrome mixer taps, and a separate shower cubicle. For privacy there is a pull across screen that can separate the bedroom from the rest of the motor-home.

In the centre you find the kitchen and central seating group. There is a full fridge and separate freezer, full oven with separate grill
