Vehicle Description

At only 3500kg this Autotrail Imala can be driven on a normal or restricted licence, or can be uprated by ourselves as required. The Imala has an extremely light and airy feel to it, thanks to the large sunroof and parallel windows in the lounge area. Having an oatmeal fabric also adds to this effect and allows the red accents to stand out. Usually a 4 berth, this has been upgraded to a 6 berth.

At the rear of the motorhome you find the french double bed which has generous under bed storage space and overhead lockers. Opposite the bathroom entrance is a large cupboard.

Slightly to the left of the bedroom there is the washroom which features a Thetford toilet, shower cubicle and washbasin. There is a hanging rail for towels.
