Vehicle Description

Here we have a Pilote Aventura G690 2008 which has done less than 26000 miles and, as it is under 3500kg, can be driven on a normal or restricted licence. The desirable french bed offers plenty of easy access, under bed storage space. This is in very nice condition throughout and we would encourage you to come and view it if this is the type of vehicle you're looking for, you won't be disappointed.

This motorhome comes with 12 months MOT, 3 months personal BCS warranty and we will complete a full major service for you.

To the rear of the motorhome there is the fixed french bed. This is hinged so it lifts easily to access the under bed storage area. You can also access the storage from outside the vehicle. There are also several overhead lockers.
