Vehicle Description

Here we have a 2010 Rollerteam Atesa 625 which is a comfortable 5 berth motorhome and has done less than 13000 miles. Weighing in at 3500kg means you can drive this vehicle on a normal or restricted licence. Comes equipped with a new bike rack, tow bar, reversing camera, solar panels and we can fit an awning for you if required. Also includes 12 months MOT and 3 months BCS personal warranty.

The rear of the motorhome holds the kitchen, with a fridge freezer, oven and grill, and sink with chrome mixer taps. The rear window provides lots of natural light and there are several cupboards and overhead lockers for storage.

To the centre is an L shaped sofa with two forward facing 3 point seat belts, allowing you to legally carry passengers of all ages. This sofa converts into a double bed. Facing this is a 4 seat sofa which has under seat storage and makes a comfortable single bed.
