Vehicle Description

This Bessacarr E660 is in very nice condition throughout and has done less than 21000 miles. It has a brilliant build quality and the design is eye catching. Also includes integrated awning, bike rack, tow bar, reversing camera, cab air conditioning and cruise control. There's a large panoramic skylight over the cab that floods the lounge/dining area with natural light making it bright and airy.

The rear of the motorhome houses the fixed double french bed with underneath storage space, overhead lockers and shelves. There is also a fold away screen for privacy purposes.

In the washroom you find three distinct areas. The toilet is furthest away from the door with the shower cubicle, with mixer shower and two folding plastic doors to help keep the other areas dry, in the middle. Finally there is the sink area which has chrome mixer
