Vehicle Description

Porsche 996 GT3 Mk 1 (comfort spec). Finished in Artic silver with Black Recaro sport seats. The car has Carbon pack, Roll cage and Air Conditioning.

Taking over the mantle of the old air-cooled 993 RS, the Mk1 996-based GT3 was the work of Porsche's Weissach motorsport department.

Water-cooled, like every 996, but based on the old Mezger flat-six that took Porsche to Le Mans victory with the 911 GT1.

The GT3 was claimed to be the first car to crack 8 minutes at the Nürburgring (and with the optional Clubsport pack's buckets & cage combo, looked ready to let you try).

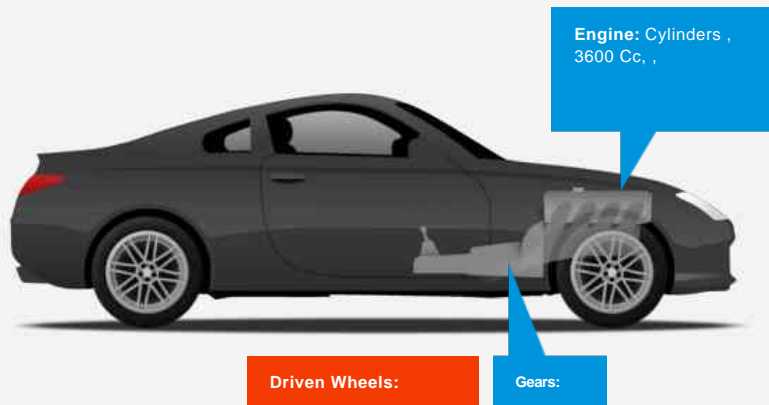

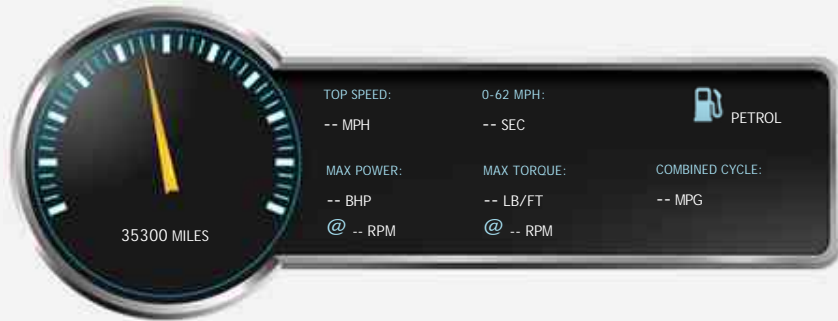

This superb example has extensive service history and was last serviced on 26/02/2018 by well respected Porsche specialist Parr.
