### Vehicle Description

1968 Used PORSCHE 911 cars for sale in Nether Alderley, Cheshire in Light Ivory this used PORSCHE 911 S is another fine example of what is available from used car dealers, Mereside Motors, Nether Alderley, Cheshire.

Mereside are delighted to offer this very RARE EURO SPEC 1968 911 S TARGA ONE OF 442 BUILT. When Porsche rolled out its 1968 model line, it faced a daunting problem: new U.S. safety and emission standards. The "S" engine from 1967 was a high-performance motor in all respects. With high-compression forged alloy pistons, forged and nitrided connecting rods, large valves, and big Weber triple-throat carburetors, it produced a healthy 160 horsepower. Porsche soon realised that this motor would probably not comply with the new U.S. emissions standards without additional development.
