Vehicle Description

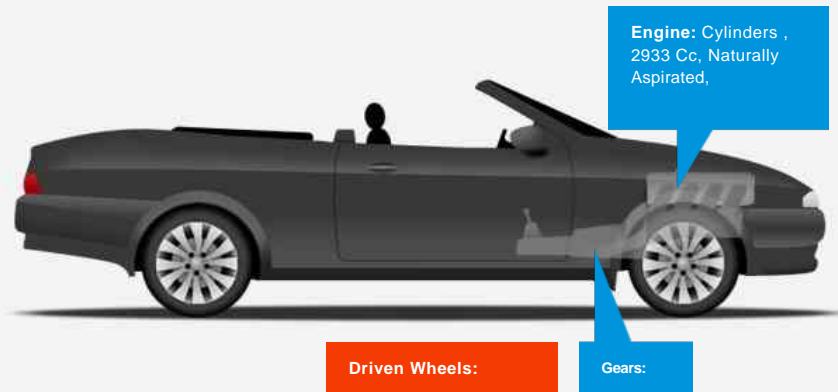

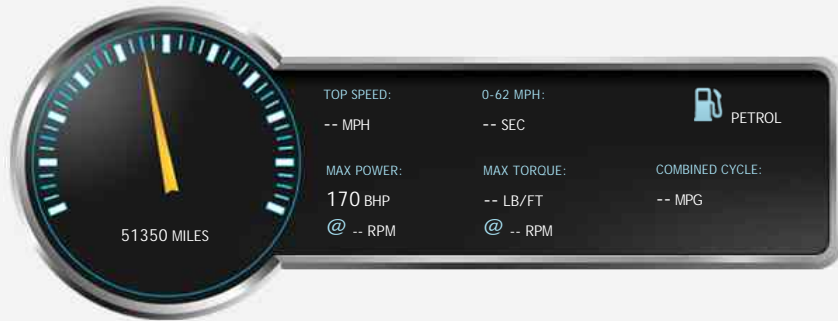

It is really difficult to describe just how lovely this true 'time-warp' TVR really is. From it's original superb paintwork, to it's unmarked blue full leather interior, this is simply the nicest 290S we have ever had the privilege to offer for sale. The history file is fantastic and includes the original order form from TVR, the original sales invoice, sales brochure, spec sheet and every single service invoice and MOT ever since. It is difficult to imagine that this car has ever been out in the rain and it's chassis condition is therefore superb. Cars of this quality do not come along very often but when they do it is a privilege to offer such a car for sale!!
