- > Power Assisted Steering

Vehicle Description

Hyundai i10 1.2 5dr Active in bright red. A fantastic example here, it's in great condition both inside and out. Comes with Full Service History (all Hyundai Main Dealer bar one), to say it's been looked after would be an understatement. Good spec being the Active model with Alloy Wheels, USB, Electric Windows, Remote Central Locking etc. A very economical car to keep on the road returning up to 68mpg and is just £20 a year to tax. It's low insurance group makes it a great choice for young/new drivers or as a small run around.
