Vehicle Description

1974 Ferrari 365 GT4 BB in Red with Black leather.

Being RHD this is a very rare car. When the last owner moved to Suffolk from Singapore, he brought this Ferrari with him. Little used since being in the UK, we believe the mileage to be correct and there are UK invoices and MOT's dating back to 1992 which confirm this.

The car has recently had the engine re-commissioned at a cost of £10,000 after being in dry storage for a number of years, and so now can be used. We have a 'Classiche' data sheet which confirms that it doesn't have matching numbers.

Generally speaking it's a good, honest car that can be driven and has great potential as a restoration project for someone who doesn't want to spend over £300,000.
