### Vehicle Description

*This Jaguar E-Type Series 4.2 Litre 1 Fixed Head Coupe was, according to its Heritage Certificate, dispatched to Jaguar Cars New York in November 1967 and then supplied to its first owner a R W Ansley. It remains finished in its original colours of Primrose Yellow with Black Leather. In 2014 this example was repatriated to the UK as an original example requiring minimal restoration; at that time the mileage was warranted at 49,000 now with just over 50,200 miles recorded, which given the age of the car is impossible for us to warrant, is in our opinion, very likely to be correct.*

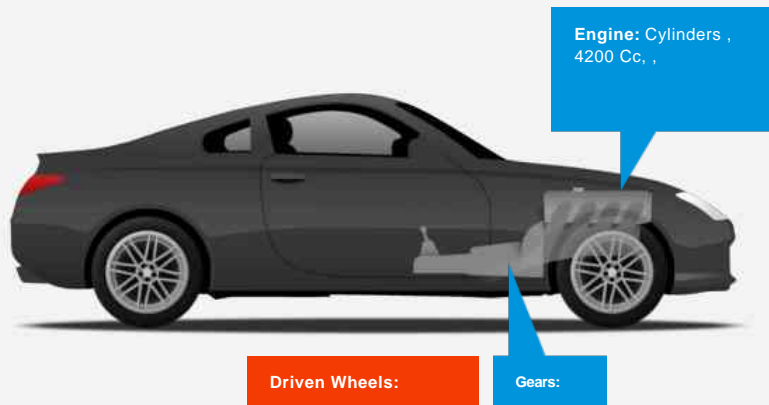

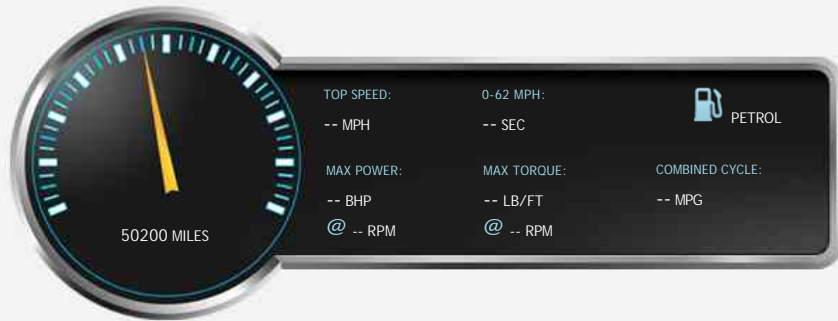

*Once back on these shores the new owner commenced a programme of work to return the car to UK specification and the file hold invoice for all the parts procured to complete this work and at the same time bring the car into good mechanical condition.*
