Vehicle Description

Here is a 17 minibus direct from a school, it has been well maintained and has just passed an MOT. This vehicle is in good condition, drives really well and everything works as it should. This has drivers and passenger airbag which is rare in a commercial vehicle as, most only have drivers. Electric windows and electric mirrors. This vehicle has been painted blue to match the school livery and as you can see in the pictures was originally white.

Finance is available across our range of vehicles, please get in touch for a quote and to see if we can help. We have a selected panel of lenders that can offer products whether you have poor credit or good credit. Self employed finance is also available.
