Vehicle Description

Porsche Boxster RS60. Finished in GT Silver with Red Leather interior.

The RS60 987 Boxster is one of very few special editions Porsche has ever made. It was produced to celebrate the successful 1960s 718 RS60 Spyder and only 1960 units produced worldwide (each individually numbered with a plaque on the dashboard). As such this car is sure to attract increasing appreciation from Porsche enthusiasts and collectors alike.

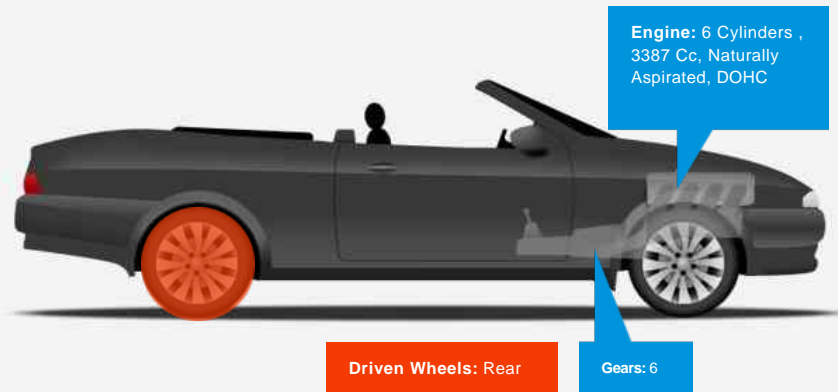

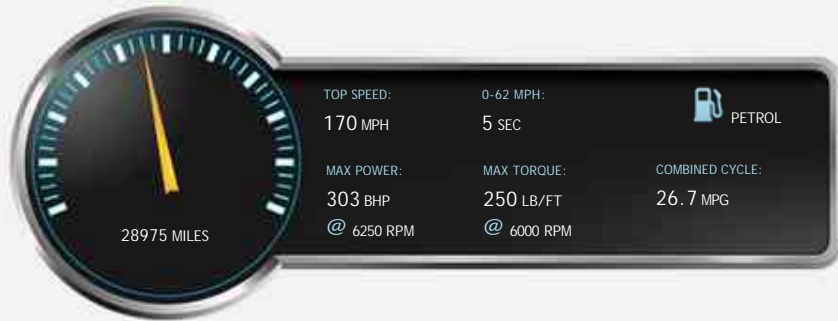

*The RS60 was based on the 987 Boxster S but has a much increased specification:
GT silver metallic paint (unique to this car in the Boxster range)
Optional red leather interior and red roof.*
