Vehicle Description

Aston Martin Vanquish. Finished in Atlantic Blue with Light Grey and Atlantic Blue full leather. This superb low mileage Vanquish has been maintained with 'no expense spared' by the previous owner and has all the supporting paperwork to show its impeccable credentials! In 2014 (at 15,977 miles) it was given a very comprehensive overhaul by RS Williams including suspension, brakes, and all running gear to a very high standard which even included powder-coating of suspension etc and replacing bolts and fixing with stainless replacements. No detail was left untouched and the work cost over £17,000 which will give the new owner peace of mind in terms of future investment. An exceptional vehicle in every way!
