Vehicle Description

The Renault Trafic is a dynamic van, that is both comfortable and practical. This van comes ply lined ready to get to work and Bluetooth hands free fitted at the factory. The Trafic is a very successful and award winning van. It has a steel bulkhead to protect the occupants along with the electric pack for that added comfort. This van will not disappoint, book a test drive now.

We specialise in finance and offer a variety of different packages, from good to poor credit. We will endeavour to find the right package to suit your needs.
