Vehicle Description

This lovely Burstner Nexxo T720 has had an expensive upgrade done to make the engine a 3.0 ltr automatic, 160 multi jet. This van is low profile and winterised and weighs only 3500kg legally allowing you to drive on a normal or restricted licence. Comes with 12 months MOT, 3 months personal warranty and a full major service. Also comes with a brand new bike rack, reversing camera, awning, garage, single beds, and solar panel. There are also extra 240v sockets already fitted.

To the rear of the motorhome you have the desirable end washroom. This is made up of a large separate shower unit with mixer shower, a Thetford WC, and washbasin with mixer tap. There is a mirrored vanity unit and for storage there is a wardrobe, under sink cupboard and shelving.

In front of the washroom you have the two single beds, both with adjustable headboards. Both beds have storage space underneath
