Vehicle Description

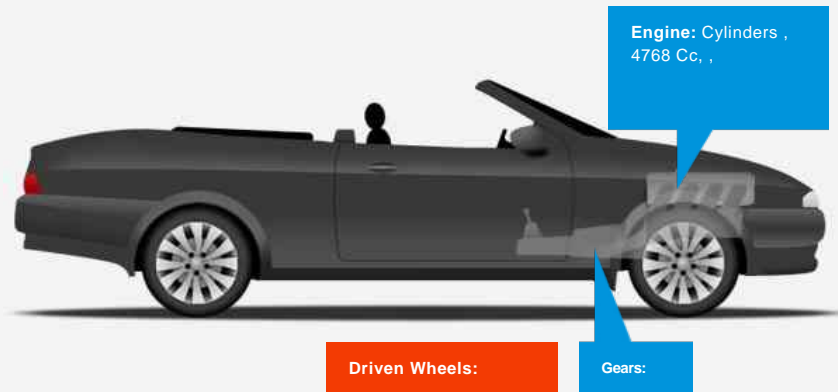

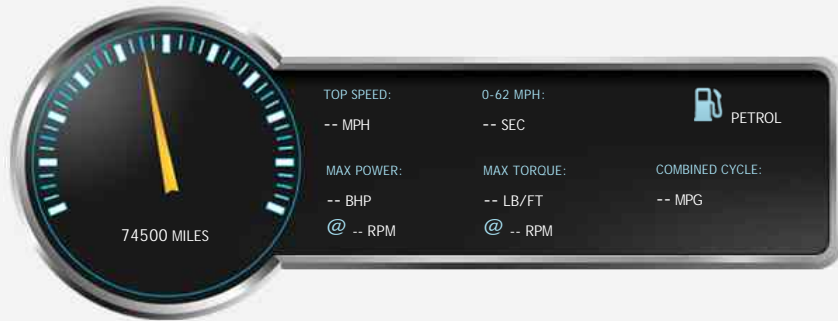

This exquisite Mustang was restored in the States between 2007 and 2009 to the most exacting standards, and from the accompanying invoices and paperwork it was obviously 'no expense spared'!! It is THE most superb example of the model having the 289 V8 engine mated to a four speed manual gearbox, with 'power' operated hood in white and superb black leather interior. It's detailing is faultless and has to be seen to be fully appreciated. If you want the very best of the best, then this is the car for you! To summarise... a 1966 Mustang V8 Manual in red with white roof...the sort of car that someone should write a song about!!!!!!! Fully UK registered with huge amounts of previous paperwork, invoices, MOT's etc.
