Vehicle Description

All of our retail cars come with free AA cover or member upgrade, 3 months in house warranty and a service AS STANDARD! We are proud to be an AA Dealer Promise approved garage. We are also finance specialists who can cater for most situations. Viewing by appointment 7 days a week.

Finance this car from as little as £157.19 a month with our ZERO DEPOSIT option! (subject to status). All credit histories looked at. A stunning Astra on sale here that has low mileage, full service history, a long MOT with no advisories until the back end of October 2019 and is ready to drive away. We have purchased her directly from a local main dealer where she was taken in part exchange. She has a nice spec that includes sat nav, blue tooth connectivity, DAB radio, air conditioning, cruise control, parking sensors, electric front windows, electric door mirrors, remote central locking and alloy wheels. Condition wise she is fantastic, she drives really well too and lets not forget £20 a year road tax! FIND US ACROSS SOCIAL MEDIA! Like our Facebook page to see our latest stock, news,
