Vehicle Description

All of our retail cars come with free AA cover or member upgrade, 3 months in house warranty or member upgrade and a service AS STANDARD! We are proud to be an AA Dealer Promise approved garage. We are also finance specialists who can cater for most situations. Viewing by appointment 7 days a week.

A wonderful looking Freelander HSE here that is a 2 owner car with excellent service history, a long MOT until December 2019 with no advisories, has sensible mileage and is ready to drive away. We have purchased her directly from a local main dealer where she was taken in part exchange. She comes with a superb spec that includes factory touch screen sat nav, electric and heated leather interior, parking sensors, cruise control, climate control, auto lights and wipers, climate control, blue tooth connectivity, electric front and rear windows, electric and heated door mirrors and remote central locking with key less start. Condition wise she is in fantastic order throughout, drives superbly well and has a silky smooth automatic gearbox. FIND US ACROSS SOCIAL MEDIA! Like our
