Vehicle Description

We have for sale this extremely rare custom built, wheelchair adapted Euro-Treka motorhome. It has only done 1192 miles and comes with LPG Gas tank so you can fill up here and abroad, ALKO lowered chassis, colour coded awning, large slide out, solar panel, reversing camera and heavy duty tow bar. The habitation door is 900cm wide with a lift fitted as well as the motorised step. Internally there is a ramp between the kitchen/lounge area and bedroom/washroom area. The worktops in the kitchen are wheelchair friendly height though it isn't noticeable, there is a fully adapted washroom including non slip flooring, and the single bed at the back allows easy access when transferring. For driving there are hand throttle and brake controls that can be removed if not required.

To the rear of the motorhome you have a single fixed bed with plenty of space for transferring into it. If preferred we are able to convert this into a double bed by pulling the front panel forwards and building a frame. For storage there are overhead lockers in
