### Vehicle Description

We have for sale this 2018 Swift Escape 622 which is still under the manufacturers warranty. This beautiful motorhome has a U shaped lounge to the rear, is low profile, and weighs only 3500kg which legally allows you to drive it on a normal or restricted licence. We can fit an awning and bike rack if required and there are external lockers, TV aerial, bluetooth media player, and cruise control. There has been only one owner and the mileage is extremely low at only 1690 miles!

To the rear of the motorhome you have the U shaped lounge. There is a large rooflight here which floods the lounge with light and makes it feel bright and airy. The lounge converts into a double bed and there is storage space in the form of overhead lockers and space under the sofas. The dining table can be folded and stored away when not in use.

In the washroom there is a mixer shower, washbasin with mixer tap and Thetford WC.
