### Vehicle Description

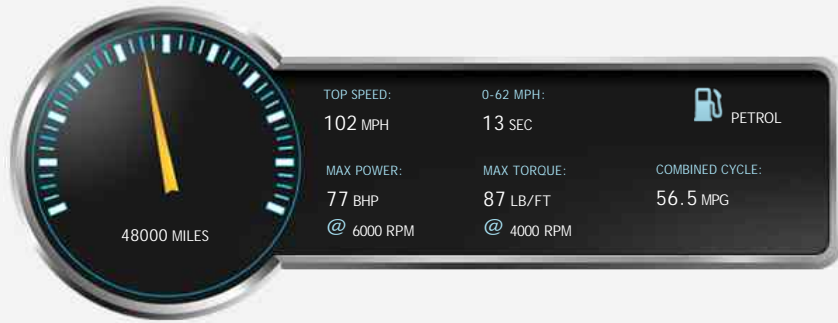

A fabulous example of the increasingly popular Hyundai i10, finished in silver. This is the upper Comfort model with good spec including air conditioning, alloy wheels, CD player with AUX input, electric windows, power steering and remote central locking. Just two careful owners from new, in fantastic condition all round for its age with remarkably low miles and a comprehensive service history. Powered by a highly economical 1.2 petrol engine, returning a big potential 65 miles per gallon, low insurance group and only £30 a year road tax. A hugely desirable and very nicely presented small 5 door hatch, previously sold by us to a close family member.
