Vehicle Features

Not Specified

Vehicle Description

Fabulous C63 AMG Edition 125 with full carbon pack (carbon rear spoiler, carbon rear diffuser, carbon mirrors, carbon front lip insert), mapped by MSL Performance to 535BHP ('at the flywheel' with all invoices, dyno read-out etc.)

This exceptional car also has the modified exhaust, so sounds absolutely fantastic!

The previous owner (who we know well) is extremely fastidious, and the car is in superb condition both inside and out and has been ceramic coated and Mercedes 507 Style new wheels recently fitted (the standard wheels known to be 'soft') and it has a full service history.

This really is an exceptional car which is both practical and very, very quick!!
