Here we have for sale our beautiful Bimota SB8R. This Carbon fibre masterpiece is stunning in every way having covered just 764 miles from new. Originally manufactured in Italy in June 2003 the bike sat brand new in a collection before being brought to the UK in March of last year. The bike has since been UK registered and has covered dry miles only. Supplied with all the relevant paperwork and original sales brochure this bike would be a great addition to any serious collection.

The Bimota "SB" series used the V twin powerhouse engine taken directly from the Suzuki TL1000R, and
