Vehicle Description

2015 Used Vauxhall Zafira Tourer Tech Line cars for sale, Huddersfield, West Yorkshire. In grey, this used Vauxhall Zafira car is another fine example of what's available from used car dealers, St Andrews Motor Company, Huddersfield West Yorkshire.

This Zafira Tourer Tech Line comes with a cracking specification including satellite navigation, 6 speed manual gearbox, front and rear parking sensors, 17 inch alloy wheels, bluetooth phone connectivity, cruise control, DAB radio, front and rear electric windows, electric mirrors, air conditioning and the all important 7 seats!

Having completed just over 30,000 miles from new, this seven seater motor vehicle is extremely low mileage and is just £140 tax for the year!
