Vehicle Description

THE BIKE SPECIALISTS,
TRADING STANDARD AWARD WINNERS.

Here we offer the rare opportunity to own our superb iconic BMW K100.

Our example has only covered an incredible 90 miles and is totally original after spending the first 30 years wrapped in storage having been bought to have had a sidecar fitted. The original owner never started the project and the bike remained unused throughout his ownership. We are pleased to have had this bike come back into our stock after we first purchased the bike back in March 2016. Its current owner part exchanged both this and another BMW out of his collection and has covered the 90 miles in
