Vehicle Description

Ford Fiesta 1.6 Zetec S in metallic black. A great example, same local owner since 2013 and in great condition. As you would expect having covered just 76k miles from brand new. Comes with Full Service History, it's clearly been a well looked after car and it really shows. Being a Zetec S it's good spec with Alloy Wheels, A/C, Aux Input, Heated Front Screen, Zetec S Body Kit, Electric Windows, Remote Central Locking etc. Awesome value for this highly sought after low mileage Fiesta!
