Passenger Airbag	Power Assisted Steering
Powerfold Mirrors	Traction Control

### Vehicle Description

*This late (2008 Model Year) S-Type has just come back to us in part exchange. We sold this car to a local gentleman in 2015 and he has recently changed it for a Jaguar XF. He used in minimally during his ownership, covering only 8,500 miles in just less than 4 years.*

*The car is finished in rare Seafrost with light Barley interior and is still in extremely clean and tidy condition thanks to the last owner's careful ownership.*

*Benefiting from the smoothness and economy of the 2.7 litre twin turbo diesel engine and of course the S-type's legendary comfort and ride quality, this executive saloon represents great value luxury motoring.*
