Vehicle Description

Beautiful Arnage T Mulliner, in metallic blue with contrasting quilted cream leather interior. This car has to be seen to be appreciated, having covered just 37500 miles from new in 2002 when it cost £168,500. Regular servicing at both main dealers and specialists have kept it in fine order, and it comes MOT'd to December 2019 along with warranty. We sold this car to it's current owner and replaced the rear suspension dampers at the same time, along with the parking sensor module. All systems now operate correctly. Super rare at this mileage, and a future classic for sure. Worthy of any car collection....

Viewing by appointment only please, on 01242 898 986. Part exchanges considered and finance can be arrange on this car.
