*Full Porsche Service History, Grey interior ,Metallic GT Silver.*

*The Boxster RS 60 Spyder evokes the stance and style of the historic 1960 mid-engine two-seater race car. Its front end is taken from Porsche's SportDesign Package and distinguishes the RS 60 Spyder significantly from the standard Boxster S. Its posture is made even more dynamic with the addition of spacer plates that move the 19-inch Porsche SportDesign wheels into an even more prominent position in the wheel arches. Likewise, the Porsche Active Suspension Management (PASM) is standard on this limited edition model. Modifications to the exhaust flow coupled with a dual tailpipe sports exhaust system increase engine output to 303 hp., The exclusive GT silver metallic paintwork is further accentuated by the contrasting colors of the Natural Leather interior ., The RS 60 Spyder's interior*
