## Vehicle Description

The Première Édition features specification above and beyond that of the Pure A110 including Brembo brakes, Forged 18" Wheels, Sports Exhaust System and a numbered plaque identifying it's limited edition status. To commemorate its founding year, just 1,955 examples of the Alpine A110 Première Édition will be built, and within five days of the release were all sold out. Available at AT Performance Cars in stock now with only delivery miles and finished in the model's signature Alpine Blue coachwork, this is a rare opportunity to own one of just 140 Right hand drive UK models.

Inspired by Alpine's rich heritage, the A110 places driving pleasure front and centre. The mid-engined, two-seater sports car takes Alpine's core principles - agility, compact size and lightweight build - and deploys them with modern day expertise. In its element both on the racetrack and a winding mountain road, the A110 is still refined and effortless to use every day.
