Vehicle Description

Very tidy 2010 Range Rover 3.6 TDV8 Vogue, in metallic black with contrasting almond leather interior and piano black trim. Complete with FSH, this car was last serviced at 92,667 miles in Nov 2018 when it was also MOT'd. All systems operate correctly and it drives beautifully. The previous owner had Land Rover warranty on this car until January of this year, and used it whenever there was an issue with the car. It has had an auto gearbox oil flush and we believe had a left hand turbo too. A beautiful car in a great colour scheme, the first person to see this will surely buy it. Warranty is included. Finance is available and part exchanges considered. Viewing by appointment only please, on 01242 898 986.

Spec includes; 2 x remote keys, keyless start, bluetooth handsfree connectivity, cruise control, parking sensors front and rear, reverse camera, heated seats x 4, heated leather multi function steering wheel, digital TV, DAB radio, Aux input for iPhone/iPod, 6 disc CD changer, Harman Kardon Logic 7 Sound System, climate control, heated front and rear screens, heated electric wing mirrors,
