Vehicle Description

Urban Automotive are proud to present the Discovery 5 Commercial 3.0 Diesel 'HSE' in combination with the elegantly designed URBAN remodeling package which creates a unique vehicle that benefits from full commercial status. Finished in Factory Santorini Black vehicles are offered with 30 miles and factory specification that includes the standard 'HSE' package, benefiting from Windsor Black Leather, Power Tailgate, Interactive Driver Display, Meridien Sound System, LED Headlights, Navigation Pro, Front & Rear Park Aid, Heated Steering Wheel, Black Roof Rails, Heated Seats, Rear View Camera, Tech Pack, Nav Pro, Cruise Control.

The enhancements by URBAN Automotive include an extensive colour coding package to the wheel arches, lower mouldings and rear bumper surround, a replacement front bumper that has been skilfully crafted in-house in the UK from carbon fibre and painted to match the vehicle's original paintwork. Components such as the carbon fibre intakes, front bumper splitter and carbon fibre rear diffuser are finished with a UV stable gloss lacquer that exposes the carbon fibre weave. The front bumper also cleverly integrates a
