### Vehicle Description

*With the 329 HEMI Scat Pack Shaker version, Dodge takes things even further with a number of details that will stir the heart of any Mopar enthusiast.*

*The range-topping model actually benefits from both the Shaker and the Scat Pack packages. The Shaker Package adds the iconic Shaker hood and scoop, a Shaker badge underhood and Satin Black stripes that begin on the hood and go all the way to the trunk. The muscle car also rides on 20-inch, polished-aluminum wheels that feature black accents and a satin finish.*

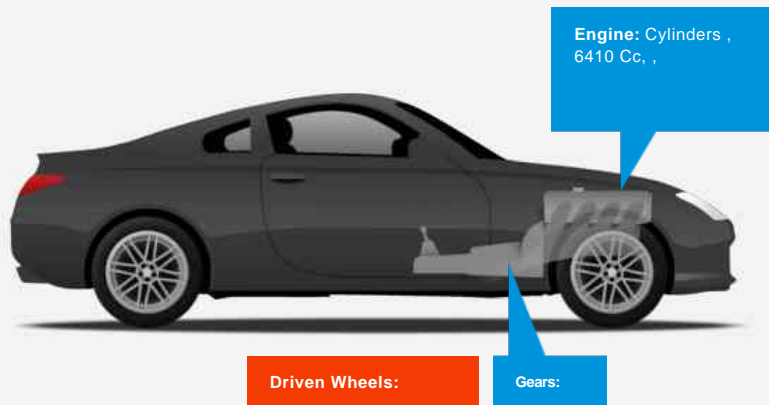

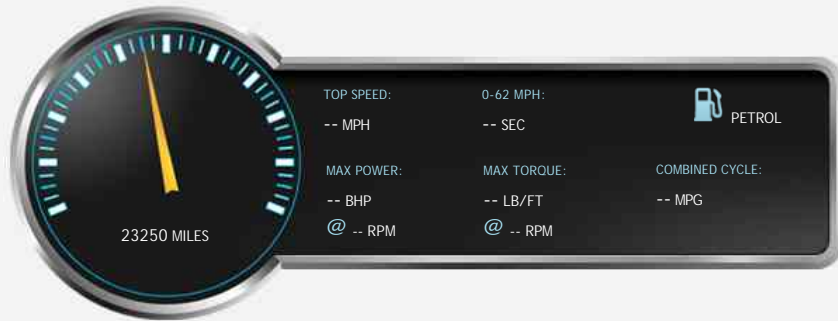

*The Scat Pack, on the other hand, contributes by adding a 392 Shaker badge on the Shaker scoop and a unique Bumble Bee badge on the fenders that reminds us of the Super Bee models Dodge offered between 1968 and 1971.*
