- > Air Conditioning
- > Alloy Wheels
- > Central Locking
- > Half Leather Trim
- > Folding Rear Seats
- > Touchscreen Display

Vehicle Description

Very rare, unmolested Pro-Drive equipped standard 330s. We have just fitted a Subaru genuine short engine (due to crank bearing failure), ancillaries and clutch (balance of 3 years parts warranty) changing cam belt kit and water-pump in the process. New front brake discs and pads.

Has the adjustable centre diff as per current WRX.

Done about 1000 miles since the above work and all is well - if you want the displaced short engine for a future forged build will throw in.

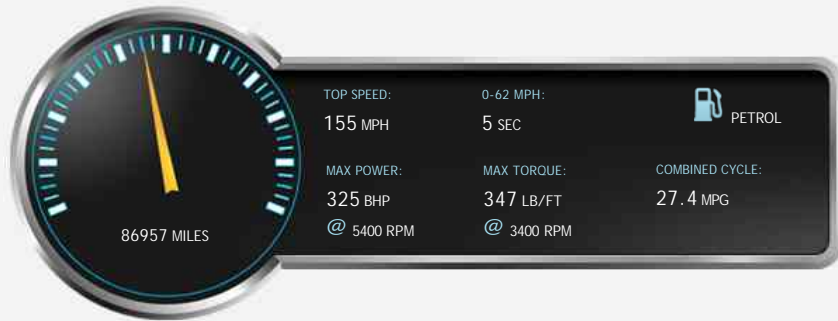

Recent power steering pump and lower arms.
