Vehicle Description

Listening to Chris Evans on Virgin Radio we heard that this little 2 CV was coming to market and so we just had to have a look! It did not disappoint - she (as the service record informs!) really is beautiful in every way and brings a smile to everyone that sees her - we had to have the little car! Fully restored at the Practical Classics Show in 2017, the car has seen little use since with just under 14,000 miles on the clock from new.

Originally sold to Mr F McDonald in 1988 and then transferred to his wife in 1992, the car has only seen one owner since. Supplied with all original manuals/service books/maintenance manuals and a wonderful letter from the original owner which reads:

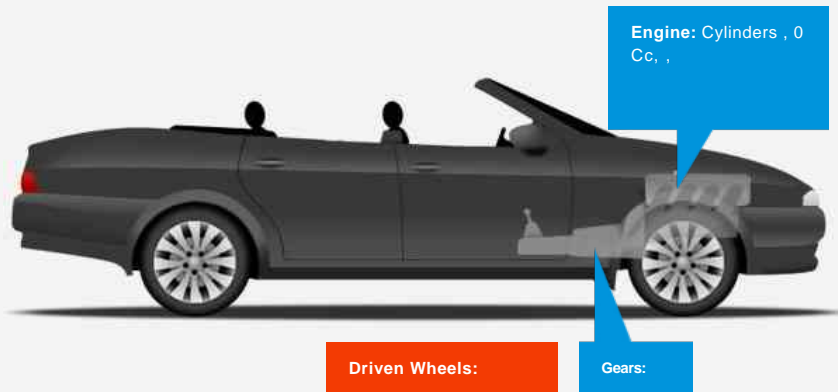

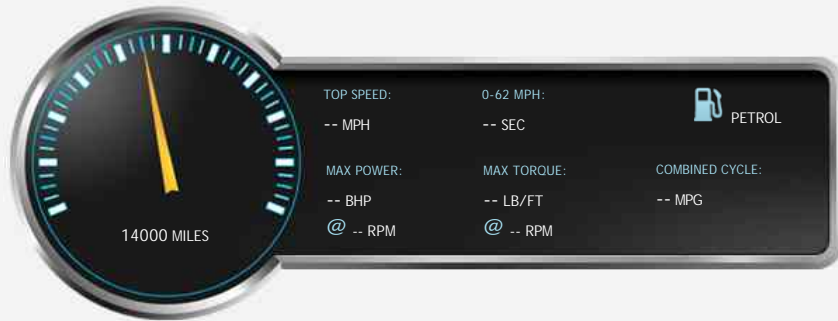

Please see below a letter from the original owner of the 2CV
