Vehicle Features

Not Specified

Vehicle Description

Here we have a powerhouse of a coupe for sale, The S5 V8 Quattro! The S5 gets the 4.2-litre FSI V8 from the RS4 driving to all four wheels via a six-speed manual gearbox, but in a softer state of tune, developing 354bhp instead of 414bhp but slightly more torque - 324lb ft plays 317lb ft. Audi claims 0-62mph in a decidedly nippy 5.1sec and a top speed limited to 155mph. Great Condition for the age! This example has £4500 worth of Optional Extras which consist of: Sat Nav Plus -- Metallic Paint -- Bang & Olufsen Sound System -- GSM Mobile Phone Prep -- Voice Control System -- Audi Parking System Plus -- Audi Music Interface -- Door Mirrors - Electric Folding -- Audi Hill Hold Assist. All this on top of a already well spec'd standard S5 Trim level. The car has Full Service History (6 Audi Services, 2 Independent Services) Last serviced on the 04/08/2018 at 50000 miles. Mot expires 04/04/2020. Pirelli P Zero Tyres all round. 2 Keys. The A5's true significance is that it's the first Audi to get a new front/mid-engined layout, where the front wheels are pushed forward, and the engine back, to give a more balanced weight distribution, keep the major masses inside the axis of the axles and improve the handling. And, to keep unsprung weight down, there are aluminium suspension components front and rear.
