Vehicle Description

AT Performance are pleased to offer for sale another fabulous example of a Prestige Edition GT-R. Presented in Pearl Black Metallic Coachwork with Black Prestige leather interior, this particular car was previously supplied by us to its current owner and is now looking for a new home. The breathtaking pace of the GT-R has been upgraded to a Stage 4.25 AT650 package carried out by Auto Torque with a hand crafted, full inconel race exhaust system. The vehicle also features Ohlins Road and Track dampers, precisely setup for optimum performance and a full carbon fibre boot lid with extended lip to enhance the aesthetics of the car. Original boot lid and spoiler also available as an option.

Registered on the 1st September 2017 by Nissan Specialist Cars Aberdeen. The vital 1200 mile optimisation service was completed at 1,060 miles and recorded in the service book, followed by the 12 month service, also carried out by Specialist Cars Aberdeen.
