Vehicle Description

AT Performance are proud to present this cherished Recaro Edition GT-R, now available to own and enjoy this summer. Presented in the popular Gun Metal Grey Coachwork with Black Recaro leather interior. This immaculate GT-R has not been modified and remains just how Nissan intended, the only addition being a Nissan warranty approved Milltek Y-Pipe to give the factory titanium exhaust system the note it deserves.

Supplied with the balance of the Nissan's 36 Month Service Plan, covering all servicing until 36,000 miles or September 2020. That's the next two years covered at absolutely no cost to the new owner. Within the service portfolio, the vital 1200 mile optimisation is recorded in the book at 1,292 miles, followed by the 12 month service, also carried out by Nissan Leeds. The wheels and bodywork are both unmarked, the brakes and tyres have also been used sympathetically. The launch count on the car's ECU displays zero, confirmed during the 52 point inspection carried out by Auto Torque.
